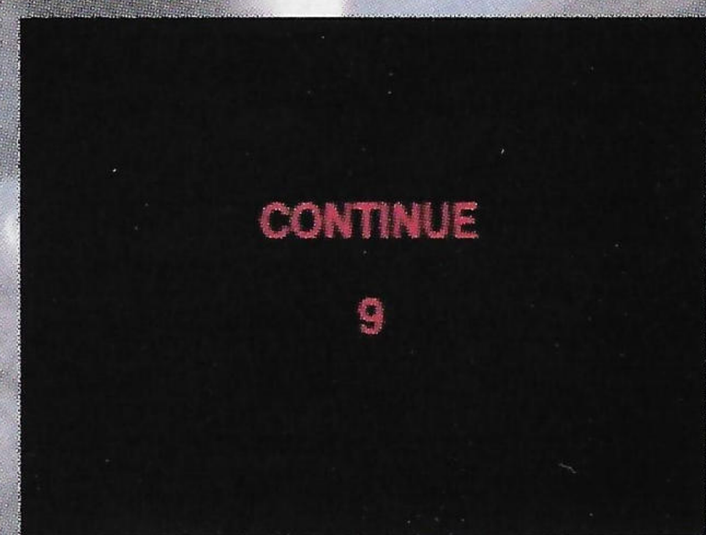
About Continue

When the life gauge reaches 0, the continue display appears. If you press the start button before the count reaches 0, play will resume from the stage where the game was



Weapon introduction

There are a total of 4 weapons that appear in this game. Select and use weapons according to the situation and defeat Jesus Town's dictator "Gill". circle

normal

Capacity:

Soudensu Shot 6 Shots

Features: Standard shot in both power and

Rapid

Capacity: 24 rounds

Features: Low power, but has the largest number of bullets among the four types. It has a continuous fire function, but its performance deteriorates when used continuously.

cobra shot

Capacity: 3 rounds

Special Features: Since it has penetrating power, it can damage unintended enemies, so be careful when using it.

bazooka shot

Capacity: 1

Features: The most powerful shot of the four types. Since it is effective in a wide range, it will take damage if it lands nearby.
