## Prologue

The Time Gate is the passage way through the flow of time. It has seen countless numbers of births, fatalities, trials and even the downfall of humanity. No one knows the who, what, or why surrounding its creation, but whoever comes to control the Time Gate, will control all of time and will rule the Universe.

### *Shien and Aska!*

The winds split the war-torn night. The name of the winds – Shien and Aska. Renowned as the most powerful and most terrifying of all Ninjas, Shien's skill with the Mighty Sword, Flying Stars, and Ninja Magic surpasses all human limitations. Aska's abilities in the face of the enemy are beyond human comprehension.... until now! Someone, evading Shien's attack, has captured Aska. Shien must now set out to free the imprisoned Aska!!

### Bangol Cavalry

The arrows of the Bangol Cavalry, even if they leave the screen, can come back on-screen to destroy you. Pay attention to the direction of the arrows, and fight on!

### Bangol

### Robo Troops

Their bodies are machines, and the accuracy of their attacks is unmatched. They live only to follow orders - the perfect soldiers.

### Hanging Snakes

His goal is to become the world's most invincible warrior. With the exception of part of his brain, he is a cyborg made of machine with a body that constantly regenerates itself. His strength exceeds that of 5 human beings.

And so.....  
All of these seemingly invincible enemies will cross Shien's path.  
What will be the fate of Aska?

If you don't learn to defend against each and every enemy, you'll never arrive at the final confrontation. It's crucial to pick up all of the items that appear on screen. No matter what, determination and tenacity are the most important elements of a good strategy.
