"PlayStation" marked with the J mark or FOR SALE AND USE IN JAPANThis disc contains software exclusively for the PlayStation **ONLY**. It cannot be used with the overseas specification "PlayStation". Please carefullyread **video** the "Instruction Manual" and the "Instruction Manual" and "For Safety" ofgame computer. **is.** home **models.** Please

the "PlayStation" main unit, and use it in the correct way. •When inserting this

disc into the "PlayStation" console, make sure the label side (the side with the title etc.

printed on it) faces up. Also, lightly push the center part to stabilize the disc. •When

removing the disc from the "PlayStation" console after playing, press the open button on

the console and make sure that the disc has completely stopped rotating. Never touch a

rotating disc, as doing so may cause injury, damage the disc, or damage the unit. •Handle

both sides of the disc without fingerprints, dirt, or scratches. Also, do not attach stickers,

etc., or write letters or pictures with pencils, pens, etc. •If the disc becomes dirty, use

a soft cloth, such as a cloth for eyeglasses, to gently wipe the disc from the inside to the

outside. Do not use record cleaners or solvents. •Never use cracked or deformed discs,

or discs that have been repaired with adhesive, etc., as they may cause malfunction.

•Do not store in direct sunlight, near heating equipment, or in other places with high

temperatures. Also, avoid places with high humidity. ■ Never place heavy objects on

the case or discs or drop them, as doing so may cause damage and injury. After playing,

put the disc back in its case and keep it out of reach of children. Please note that

we cannot compensate for scratches, damage, etc. caused by mishandling by the

Health

precautions

When to play, keep the

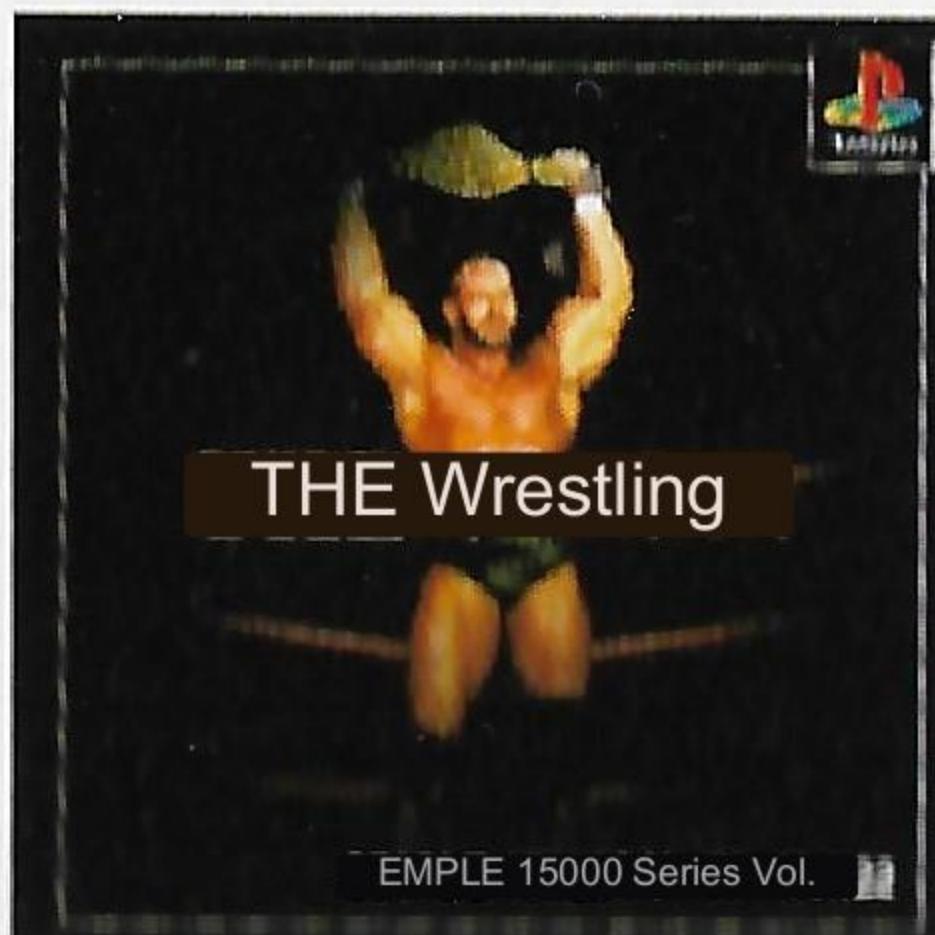

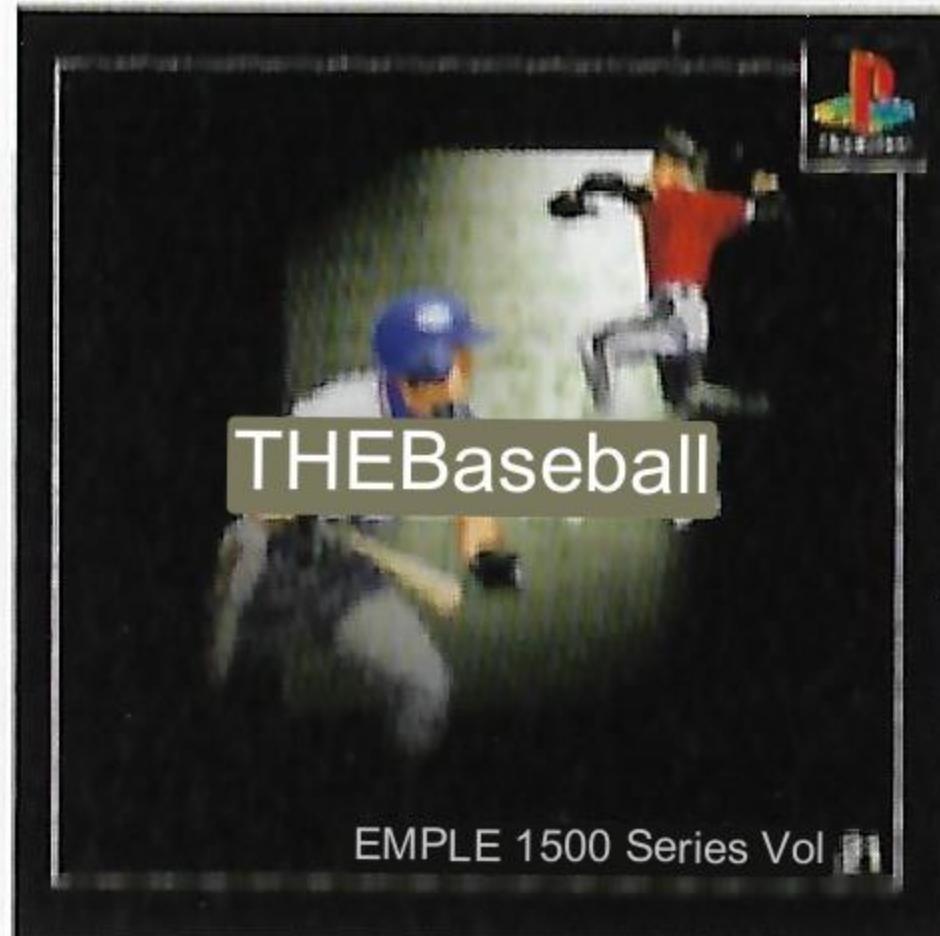

room well-lit and watch the TV screen as much as possible In very rare cases, some people experience symptoms such as temporary muscle spasms or loss of consciousness when exposed to strong light or watching a TV screen that repeatedly flickers. If

you have any of these

SIMPLE 1500シリーズ

lineup

Titles scheduled for release in December 1999

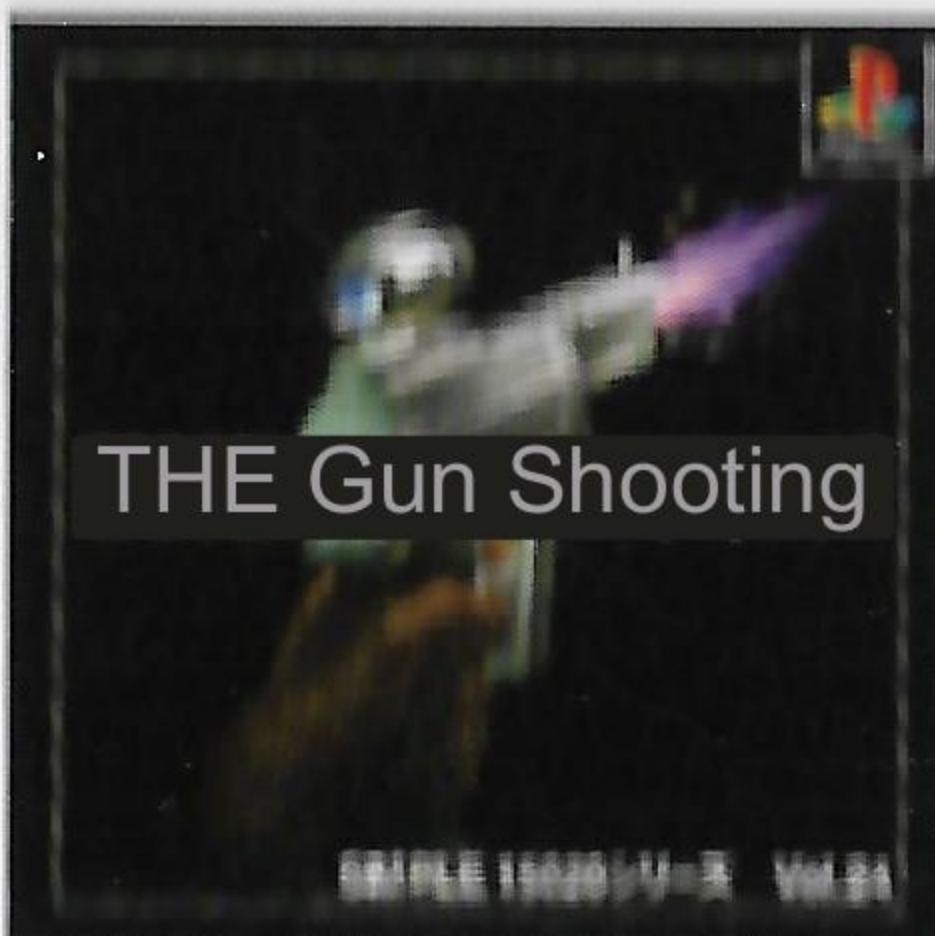

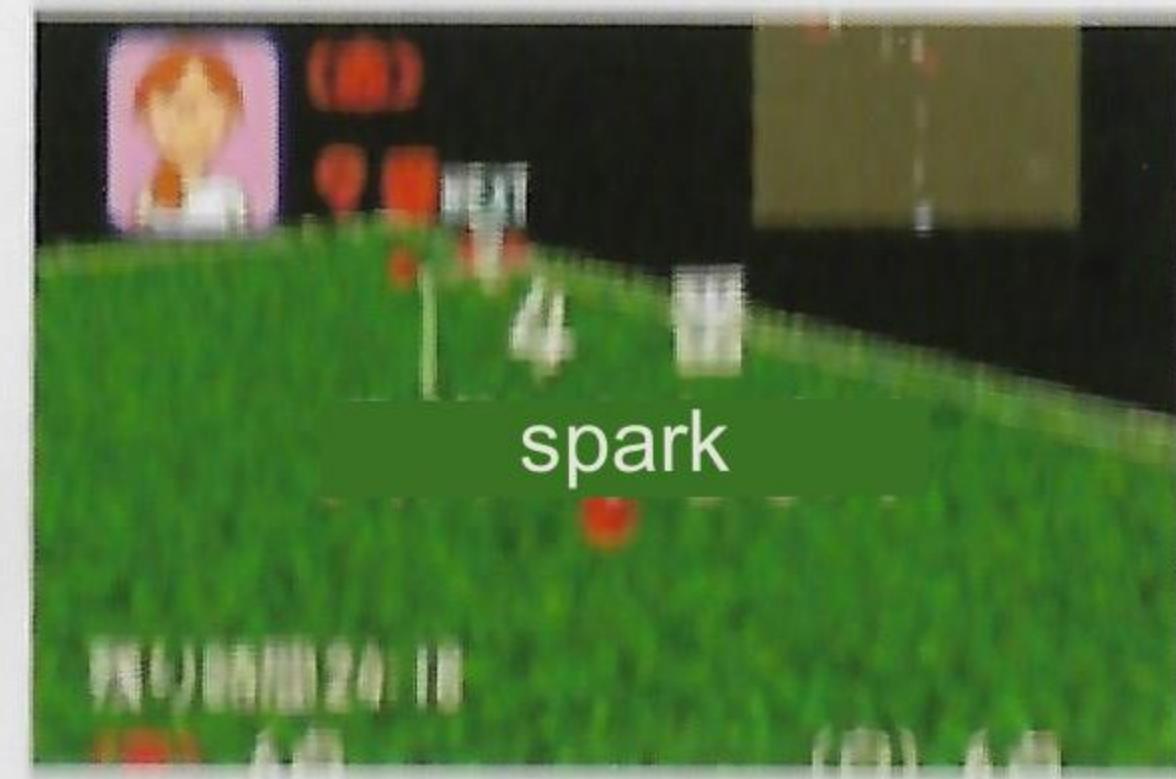

Vol.21 THE BASEBALL

A simulation "strategy & tactical baseball game" in which you become the manager and win the season. You can also organize and trade original teams.

Vol.22 THE Wrestling

Powerful wrestlers drawn with flip-polygons develop hot battles with simple controls. Equipped with an "edit function" that allows you to create an original wrestler.

Vol.23 THE GATEBALL

5 x 5 teams, a total of 25 characters full of individuality and 4 types of courts with different ways of rolling the ball are available. In "rule explanation mode", even those who do not know gateball can easily learn the rules.

Vol.24

The Gun Shooting
A game that supports Conn. Equipped with a 2P mode that clears the stage against poachers in the jungle of Africa.
